Youth Counselor Technician

Youth Counselor Technicians work to ensure the safety and security for the juveniles in our youth development centers. Selected applicants must attend and successfully complete the Juvenile Justice Officer Basic Training certification program. The four-week certification program is comprised of both classroom and physically-demanding training. NCDPS provides this training at one of the regional training centers and requires consecutive overnight stays.

Minimum Requirements:

Associate degree in a human services field, criminal justice, or related human services field from an appropriately accredited institution; or High school or General Education Development diploma, and two years of related human services experience; or an equivalent combination of education and experience. Applicants for positions are designated as Juvenile Justice Officers and are subject to and must meet hiring and training standards. Shift work is required for this position. Weekend and holiday shifts required.

In addition to passing the certification training, selected candidates must:

- Have or be able to obtain required certification(s) as a Juvenile Justice Officer (i.e. a diploma)
- Pass a Criminal Background check and pass a Drug Screening test
- Pass a Psychological test and pass a Sexual Risk Screening test
- Pass a Physical
- Be a US citizen and at least 20 years of age
- Have a valid driver’s license

Excellent benefits:

- Health Insurance
- Paid Holidays
- Paid Vacation
- Retirement
- Sick Leave
- 401K
- Military Leave
- Veterans Apprenticeship Program
